

# CONSTRUCTION MANAGEMENT MINOR

## 2007-09 Cal Poly Catalog

[Construction Management Department](#)  
**Engineering West (21), Room 116-A**  
**(805) 756-1323**

The Construction Management Minor provides students an introduction to the body of knowledge expected of persons pursuing careers in the construction industry. This minor gives a student a competitive edge when applying for certain jobs, by providing concepts, tools and skills which enhance one's progress in a career in one of the professions involved in the built environment.

The Construction Management Minor is recommended for majors in architecture, architectural engineering, civil engineering, mechanical engineering and electrical engineering. Enrollment in the minor is limited, and selection is made based upon the applicant's performance in his or her major courses. Contact the department for more information.
