Registration

Students are required to enroll in courses by using the web registration system (CPReg). The courses selected should meet the requirements specified for each student's major course of study.

Credit for coursework completed is given only when the student is properly registered. A student is not properly registered until fee requirements have been met and enrollment in classes through the CPReg system has been confirmed. Students are strongly advised to print copies of their schedule for their records. Individuals are not permitted to attend courses unless they are officially registered as regular students, as approved extension students, or as enrolled auditors (see Audit).

Information concerning registration for classes is available at http://registrar.calpoly.edu/content/registration/index. Information concerning payment of fees is available at http://fees.calpoly.edu/.

Enrollment Policy

State funding is allocated to the University based on student enrollment each term. Any attendance/participation in classes where the student is not officially enrolled during the term of participation (and where appropriate registration fees have not been paid) is against campus policy. This includes enrollment in Internship courses and acceptance of a position through the Cooperative Education program. All registration should be completed by the end of the Add Period, the 8th day of instruction for each term.

Official term enrollment requires the awarding of grades for classes attempted.

Class Attendance

Students are expected to attend class regularly to keep the quality and quantity of their work high. Absence from classes is regarded as serious. An excused absence can be allowed only by the instructor in charge of the class upon consideration of the evidence justifying the absence presented by the student. An excused absence merely gives the individual who missed the class an opportunity to make up the work and in no way excuses the student from the work required.

"Excusable" Reasons for Missing Class

It is strongly urged that instructors accept the following "excusable" reasons for allowing students to make up missed work:

- Illness with a doctor’s statement
- Serious illness or death of close relatives
- Active participation in university events (an instructor may require a statement from the adviser involved certifying that the student was actively participating in a recognized university event)
- Field trips
- Religious holidays
- Selective service and military reasons
- NCAA athletic competitions
- Instructionally Related Activities (IRA)/competitions
- Jury duty or any other legally required court appearances
- Job or internship interviews

Any student seeking to make up missed work pursuant to the above listed "excusable" reasons must inform the instructor of their intent in a timely manner.

Holding of Records

Student records may be placed on a "Hold" status because of financial or other obligations to the University. The Hold authorizes the University to deny registration, prevent the release of transcripts, and to withhold other services normally provided to the student. A student's records are held until the obligation is cleared to the satisfaction of the office or department placing the Hold.

Enrollment Status

Full-time undergraduate students are those enrolled in 12 or more units of coursework in any regular quarter. Half-time undergraduate students are those enrolled in 6 to 11 units, and part-time undergraduate students are those enrolled for 5 or less units. Verification of enrolled units is based on enrollment status at the time of the verification request. Full-time status for graduate students is defined in the "Graduate Studies" section of this catalog.

Add/Drop

- **Responsibility of the student.** The add/drop period continues through CPReg initial registration cycles until the end of the 8th day of instruction of each term. During this period, the student has the opportunity to add or drop classes. See specific dates for completing these transactions at http://registrar.calpoly.edu/content/Calendars_Deadlines/index. Students are responsible for knowing and adhering to these published timelines and for their enrollments.
- **Adding**
  - **Closed classes:** If a class is full, students may use a permission number, issued by the instructor, during the first 8 days of instruction. See http://registrar.calpoly.edu/content/Calendars_Deadlines/index for details.
  - **Time conflict:** Students may not enroll in two classes that meet at the same time.
  - **Eligibility:** Students must meet prerequisite and Schedule of Classes footnote requirements and be in attendance at the first class meeting to remain enrolled in the class.
  - **Late registration:** Students registering late have until the end of the add/drop period to pay late registration fees and to register for classes through CPReg with a permission number issued by the instructor of the class.
- **Dropping**
  - 8th day of instruction to drop a class through CPReg. No entry is made on their academic records. At the end of the regular add/drop period the instructor must assume that any student who has not dropped voluntarily remains officially enrolled in the class. For information on withdrawing after the end of the regular add/drop period see Withdrawals from Courses.
  - **First class meeting:** An instructor may drop a student from a class if the student is not present at the end of the first class meeting.
  - **Footnote requirement:** An instructor may drop a student from a class if the footnote requirements, as stated in the online Schedule of Classes on PASS, are not met.
  - **Prerequisite missing:** An instructor may drop a student from a class if the prerequisite requirements, as stated in the catalog course description, have not been completed.
  - **Canceled classes:** If a class is canceled, students are automatically dropped and have no reporting responsibilities.

Leaves of Absence

Last updated: 01/29/16
Eligibility for All Leaves
1. A student on Educational or Medical Leave is considered to be in continuous attendance with the purpose of returning to the same curriculum that was in effect when the leave began.
2. A student on Educational or Medical Leave is not required to apply for readmission or pay an application fee provided that the student's transcript at the home campus. This counts as residential standing may enroll for any term prior to the term when the leave begins and is not granted retroactively.
3. The Medical Leave begins the term following the student's last term in attendance and may be granted retroactively based on the student's personal situation.
4. A written letter together with medical documentation is required. Information concerning Leaves of Absence may be obtained from the Office of the Registrar.

Medical Leaves:
1. A Medical Leave provides time for the student to receive treatment or to recover from a disabling injury or other medical condition and is approved by a medical doctor.
2. The Medical Leave begins the term following the student's last term in attendance and may be granted retroactively based on the student's personal situation.
3. A written letter together with medical documentation is required. Information concerning Leaves of Absence may be obtained from the Office of the Registrar.

Returning Students
Matriculated students who have not registered for three consecutive regular terms (fall, winter, spring) and who have not been on an approved leave of absence must file an application for readmission. The application fee must accompany the application for readmission. See the Admission section for application deadlines for returning students.

Intrasystem and Intersystem Enrollment Programs
CSU Concurrent Enrollment – matriculated students in good standing may enroll on a space available basis at both their home CSU campus and a host CSU campus during the same term. Credit earned at the host campus is reported to the home campus to be included on the student’s transcript at the home campus as transfer credit.

Intersystem Cross Enrollment – matriculated CSU, UC, or community college students may enroll on a space available basis for one course per term at another CSU, UC, or community college and request that a transcript of record be sent to the home campus and recorded as transfer credit.

Health Screening
Students graduating from a California public high school only need to complete the Cal Poly Health History Form, available on the Health Center Portal. They should access the Health Center Portal by logging into their Cal Poly Portal and by selecting the Health Center Red Cross icon. No immunization records need to be sent in.

All other entering CSU students are required to present proof of the following immunizations to the CSU campus they are attending before the beginning of their first term of enrollment. If proof cannot be presented at that time, then the following conditions must be met:

- Measles and Rubella: Students must submit proof of immunity to measles and rubella within one year of the time of first enrollment. Students will not be allowed to register for a second year until they have fulfilled this requirement.
- Hepatitis B: Students who are 18 years of age or younger at the start of their first term at a CSU campus must provide proof of full immunity against Hepatitis B prior to their second quarter. Full immunization against Hepatitis B consists of three timed doses of vaccine over a minimum 4- to 6-month period. Students will not be allowed to register for a second quarter until they have presented proof to Health Services that they have received at least one shot, and must complete the series prior to the second year of enrollment.

Meningococcal Disease. Each incoming freshman who will be residing in on-campus housing will be required to complete an online form indicating that they have received information about meningococcal disease and the availability of the vaccine to prevent contracting the disease and indicating whether or not the student has chosen to receive the vaccination. This form is part of the Health History Form, available on the Health Center Portal. Students can access the Health Center Portal by logging into their Cal Poly Portal and by selecting the Health Center Red Cross icon.

Compliance with the requirements can be met in the following ways:
1. Submit Documentation
A copy of any one of the following will satisfy immunization requirements:
- School Immunization Record
- County Health Department Immunization Record (well baby booklet)
- International Health & Immunization Record (used by military & foreign travelers)
- Family physician's record
- Verified record of blood test showing immunity

or send via FAX: (805) 756-5298

2. Be immunized
For those who do not have documentation, immunizations can be obtained at:

• A private health care provider
• A local clinic or County Public Health Department
• The Cal Poly Health Center once an individual is an enrolled student

3. Have a blood test
A rubella/rubeola titer and/or Hepatitis B surface antibody test will determine if an individual is immune either by past immunization or by having had the diseases.

4. Request a waiver or exemption
• Medical: If medical circumstances contraindicate immunization, an individual may be granted an exemption.
• Religious: State law permits exemption from immunization for those who object to immunization on religious or personal grounds.
• Waivers for exemption are available at the Cal Poly Student Health Center.

In the event of an outbreak of these diseases, students who signed a waiver may be temporarily excluded from class, residence halls or campus.
