The International Students and Scholars unit of the International Center provides services and programs aimed at meeting the unique needs of international students and scholars throughout their academic careers at Cal Poly. International Center staff provide immigration advising and visa documents, pre-arrival information, orientation programs and cross-cultural programming for all international students, which include degree-seeking students and non-degree students (those attending Cal Poly through our Cal Poly International Exchange Programs (https://intladvising.calpoly.edu/students/prospective/exchange.html) and the VISIT Cal Poly Program (http://visit.calpoly.edu/)).

International Students and Scholars provides support programs (https://intladvising.calpoly.edu/) for students such as the International Welcome Ambassador Program (https://intladvising.calpoly.edu/students/programs/ambassadors_program.html) which brings international and domestic students together to share their cultures and to develop friendships. Cal Poly International Welcome Ambassadors also provide a support system to assist new international students with adapting to Cal Poly and the “SLO Life.” The Poly Hosts Program and the English Conversation Program are some of the other programs provided by the International Students and Scholars unit to assist students with cultural adjustment and connecting to the community.

The International Students and Scholars unit is also the first point of contact for those who want to invite visiting scholars (https://intladvising.calpoly.edu/scholars/) such as faculty, staff, and researchers from abroad to come to Cal Poly to help foster collaboration, joint research, and cross-cultural exchange.

**Study Abroad and Exchange Eligibility Requirements**

Students must be in good academic and disciplinary standing at Cal Poly in order to be eligible to participate in study abroad or exchange programs. In addition, students must meet the eligibility requirements of their chosen programs. Academic eligibility standards vary by program, and most require a minimum 2.5 GPA and at least one letter of recommendation. Participants may not study abroad during their first quarter at Cal Poly. Students who are on Academic or Disciplinary Probation at the time of application, or the term prior to studying abroad, are ineligible to participate in the program. Students are strongly encouraged to seek pre-approval for courses prior to departing for their terms abroad. If a program is located in a country where there is a U.S. Department of State Travel Advisory of Levels 3 or 4, Cal Poly may not provide the approval to participate in the program, or pre-approve the transfer of credits.

Cal Poly Partner Programs

Cal Poly has formal partnership contracts with several private sector, non-profit and/or consortium program providers to place Cal Poly students in reputable study programs, usually cooperating universities or specialized study centers. Each partner offers specializations and a variety of locations, and all have been vetted by the Cal Poly International Programs Committee. National Student Exchange (NSE) Consortium

Undergraduate students are able to spend up to one calendar year at another NSE member college or university in the U.S., Canada, and the U.S. Territories (Puerto Rico, Guam, and U.S. Virgin Islands). Since its founding in 1968, more than 118,000 students from all majors nationwide have had the opportunity to study away through the National Student Exchange (NSE). Because students have the option to pay in-state tuition and can use their financial aid funds, it is an affordable study away program option.
