Campus Health & Wellbeing cultivates student success through timely holistic care and the promotion of lasting wellness. A variety of services are offered for students including ambulatory health care, laboratory testing, onsite X-rays, prescription medications, individual and group mental health counseling, health education programs, and wellbeing resources (financial, career, social, community, and physical/mental health). Campus Health & Wellbeing assists students by minimizing class time lost due to illness, injury, or personal problems. An After-Hours Nurse Advice Line and a Psychological Crisis Line are available at no cost when the Student Health Center is closed. Students may reach the After-Hours Nurse Advice Line by calling the regular Health Center's phone number (805.756.1211). The Psychological Crisis Line may be accessed by calling the regular Counseling Services phone number (805.756.2511).

Health Education offers evidenced-based prevention education and programming to support the health and wellbeing of students. Led by a team of professional staff, the health education team trains students to be Certified Peer Health Educators in the PULSE Program (Peers Understanding Listening Supporting and Educating). Students can participate in a variety of services such as one-on-one consultations with a peer health educator, 30-minute appointments in the massage chair, or accessing the food pantry for students experiencing financial hardship.

PULSE Peers provide peer-to-peer programming in four main areas:

- Educational Resources On Sexuality (EROS)
- Thoughtful Lifestyle Choices (TLC)
- Health Enrichment Action Team (HEAT)
- Reach-Out, Empower, Accept, Listen (REAL)
